

Community Service Opportunities

This is a list of possible sites to complete the 12 hours of community service for Government class. Please be aware that these places DO NOT allow unlimited volunteers. In other words, they may not need any volunteers when you contact them. You are advised to make contact early in the semester to ensure you can complete your 12 hours before the due date.

Also, the places on this list are NOT the only places you can complete your service hours. Talk to your Government Teacher if you plan on completing your hours elsewhere.
