PREAPPROVED COMMUNITY SERVICE SITES

This is a list of possible sites to complete the community service for Government class. Please be aware that these places DO NOT allow unlimited volunteers. In other words, they may not need any volunteers when you contact them. You are advised to make contact early in the semester to ensure you can complete your hours before the due date. Also, the places on this list are NOT the only places you can complete your service hours. Talk to your Government Teacher if you plan on completing your hours elsewhere, they need to be approved before you begin your service hours.
