

Unit 4: Literary Terms

20
Days

Students will learn literary terms such as metaphor, simile, onomatopoeia, alliteration, hyperbole, imagery, mood, tone, allusion, and theme. Students will be able to define each term as well as find examples in given text.

Unit 5: Final Integration

75
Days

By reading 3-4 class novels, students will integrate literacy, writing, literary elements, vocabulary, and grammar for accuracy. Students will be tested for comprehension as well as for their writing skills. Students will give an oral presentation including a power point to the class summarizing their knowledge of a novel read. They will use their grammar and vocabulary to develop a well written essay incorporating knowledge gained. It will include the proper MLA heading on the paper and will be graded according to the "6+1" writing traits.
