

Reavis High School

Curriculum Snapshot/Cover Page for Business Law

Unit 4: Law for the Consumer

10 - 15
Days

Students will learn the rights and responsibilities of consumers under the law. They will be able to illustrate deceptive practices and how to protect themselves via the law. Lastly, they will learn how to apply contract, warranty, and product liability laws to purchasing a vehicle

Unit 5: Planning for the Future

5 - 10
Days

Students will learn their legal rights and responsibilities on different life events such as marriage, divorce and purchasing a home. They will compare marriage contract to a legal contract. Students will elaborate on the legal issues related to divorce. Lastly, they will be able to explain the legal steps in purchasing a home.
