### **REAVIS HIGH SCHOOL MISSION STATEMENT**

Reavis High School, together with students, staff, and community, provides a student-centered environment. We focus on education opportunities in activities, athletics, and most importantly, academics. We empower students to respect and be respected, explore career goals, and maximize their full potential. Citizenship, responsibility, and leadership in an ever-changing and diverse society are at the core of every student's education at Reavis High School.

## **REAVIS HIGH SCHOOL HISTORY**

In July of 1940, a successful referendum brought Cook County School District 220 into existence. However, manpower and materials were channeled from the needed school construction into the defense effort.

In 1945, the War Production Board authorized the construction of a utility building, which was partially completed when the Cook County Superior Court issued a restraining injunction halting further progress. It was at this time that a nationally known educator and professor from the University of Chicago entered the picture, resolved the problems, and allowed work to resume. The arbiter was Dr. William Claude Reavis (1881-1955).

Plans were finally made for the high school. By the time construction of the building, that would eventually be known as William Claude Reavis High School began in 1949, Dr. Reavis had approved new and revised blueprints which took into account the long range as well as immediate needs of the community's high school population.

On its opening day – September 11, 1950 – Reavis High School welcomed 330 freshmen, sophomores and juniors. Since its first graduating class in 1952, thousands of young men and women have earned their high school diplomas from Reavis High School and have become productive, responsible members of American society.

## **RAMS ARE RESPONSIBLE**

Reavis High School provides a safe learning environment for all student academic, activity and athletic programs. Rams are Responsible highlights the values that we as a school believe contribute to positive school climate and culture. This Tier I personalized character education program was created to support, encourage, and motivate all Rams to demonstrate responsibility while engaging in school. The program is designed for our entire Reavis community including students, families, faculty, staff, and administration. Monthly themes serve as the pillars of behavioral expectations that create a positive foundation to support academic growth.

## **RIGHTS AND RESPONSIBILITIES: A STUDENT CODE OF BEHAVIOR**

We expect students to form the habit of not only observing the regulations contained herein, but also the general rules of good conduct and common sense acknowledged by the community in which we live. Parents and students are asked to familiarize themselves with Reavis High School’s rules of conduct. To preserve and maintain an effective learning environment, Reavis High School has developed a student code of conduct. This code, titled “Rights and Responsibilities: A Student Code of Behavior,” is printed in full on the following pages of this handbook. Students and their parents are asked to read this information carefully. Reavis maintains the right to notify parents and students in both written and verbal forms of communication. Student consequences are recognized for the duration of their Reavis career and may carry over from school year to school year.

District 220 aims to nurture positive, constructive student behavior. **Parents can support this goal by emphasizing to their children the importance of following school rules and behaving appropriately while in school.** Questions concerning this code of conduct may be directed to the Director of Student Services, at (708) 599-7200, extension 318.

## **RULES ARE MADE TO ENSURE FAIRNESS TO ALL**

Parents, teachers, and administrators have a responsibility to protect the rights of students while maintaining an educational atmosphere conducive to the teaching and learning process. The concept of balancing rights of the individuals with rights of society is as valid to the educational community as it is to the larger community.

There are certain special responsibilities required of citizens who are students in school. In recognition of this belief and to promote fair disciplinary action, the District has developed specific guidelines for student behavior.

Reavis High School and its physical properties, including school buses and school bus stops, are part of the Safe School Zone. Signs have been posted to that effect. In the Safe School Zone, "Enhanced criminal penalties will be enforced for drugs and weapons possession, or gang recruitment or activity."

This booklet contains information regarding student discipline at Reavis High School District 220. The fact that a particular violation of good conduct is not specifically mentioned is not a satisfactory defense for any improper conduct. It is simply impossible to list every action that is inconsistent with good school citizenship.

We expect students to form the habit of not only observing the regulations contained herein, but also the general rules of good conduct and common sense acknowledged by the community in which we live. Consequences for prohibited acts can be found on the following pages.

## **STUDENTS HAVE RIGHTS**

### **1. CORPORAL PUNISHMENT**

The school supports the use of reasonable physical restraint by school authorities to restrain unruly students in maintaining the order necessary to conduct an educational program. However, no teacher, administrator, student or staff member will subject a student to corporal punishment or condone the use of corporal punishment by any person under his/her supervision or control.

### **2. DUE PROCESS**

In regard to the reasonable exercise of authority by school officials, students are entitled to due process afforded by law. An authorized school official shall confer with any student who is under consideration for suspension/expulsion prior to taking such disciplinary action. If the pre-suspension or post-suspension conference results in a decision to suspend/expel, the parents of the student shall be advised immediately of the decision by written notice. A request for a review of the decision may be made in writing and directed to the Superintendent's Office.

A formal hearing will be held before a Board-appointed hearing officer. At the hearing a student will be advised of the charges against him/her. He/she will be entitled to be represented or advised by a person of his/her choosing. He/she will be given the right to examine and cross-examine witnesses, as determined to be appropriate by the District, and to present documentation and other evidence in his/her behalf. Responsibility for the decision reached as a result of the hearing rests solely with the administration.

The Board of Education will review the evidence as contained in the summary of the hearing conducted by the hearing officer. No student may be expelled until a student disciplinary hearing is conducted before a hearing officer and the Board has reviewed and acted upon the decision. Students should understand, however, that they may be suspended, summarily without benefit of the above due process rights, if an authorized

administrator determines that their conduct poses an immediate threat or danger to other students, personnel, school property or the educational process. In such cases, the student shall be afforded due process rights at a later time.

**3. FREEDOM OF EXPRESSION**

Freedom of expression will not be restricted unless its exercise interferes with the orderly conduct of the learning environment. Students are encouraged to express their points of view provided they do not seek to coerce others to join in their mode of expression and do not otherwise intrude upon the rights of others through the use of intimidation, obscenities, etc.

**4. GROUP PUNISHMENT**

Group punishment will not be used unless every member of the group is reasonably determined to be guilty of the infraction.

**5. NON-DISCRIMINATION POLICIES**

Reavis High School has non-discrimination policies. Educational and employment opportunities are offered without regard to race, ethnicity, religion, national origin, gender, sexual orientation, or disability. It is the policy of this School District not to discriminate on the basis of gender in any program, activity, service or benefit. It is illegal and against Board policy for any employee or student, male or female, to sexually harass another employee or student. An investigation of any alleged violation will occur and appropriate action will be taken. (See the Student Handbook portion of this booklet).

**6. PLEDGE OF ALLEGIANCE & MOMENT OF SILENCE**

The Pledge of Allegiance is recited daily and the Moment of Silence is acknowledged daily at Reavis High School. Students are expected to stand and recite the Pledge or stand in respectful silence.

**7. RIGHTS TO PRIVACY OF SCHOOL RECORDS**

All academic and personal student records are confidential and can only be inspected by students, parents and school officials. A student's entire record is to be made available for review by the student, his/her parents, and/or school officials upon proper notification. In some cases, such as with psychological testing, social work profiles, special education placements, etc., parents and students should seek interpretation from persons trained in the administration and interpretation of such tests. Anyone else wishing to see a student's record must get written permission from the parents, or the student, or the courts. Students or parents who wish to challenge the content of educational records should contact the Director of Student Services. Access to student records in the District is governed by a board policy, copies of which are available at the District office.

**8. SEARCHES OF STUDENTS AND THEIR POSSESSIONS**

In accordance with Illinois law, students have no reasonable expectation of privacy regarding school property or equipment owned or controlled by the school, including, but not limited to, lockers, desks, electronic devices, and parking lots. Students also have no reasonable expectation of privacy with regard to their personal property left in such places and areas. To maintain authority and security in the school, school authorities may inspect and search school-owned property left in those places and areas, without notice to or the consent of the student, and without a search warrant. School authorities may request the assistance of law enforcement officials for the purpose of conducting such inspections and searches.

Students themselves and their belongings, including any electronic device, may be searched by authorized School District employees if there are reasonable grounds to believe that evidence of a violation of school rules or laws may be found on this particular student or with his/her possessions. If the search of a student is necessary, the search will be reasonable in scope. All student searches will be in compliance with Board of Education policy.

**9. SECURITY CAMERA SYSTEM**

Reavis High School employs the use of a security camera system to ensure the safety of all students and staff. These cameras are positioned throughout the building, on campus, and in school busses.

**10. STUDENTS WITH DISABILITIES**

All students of Reavis High School, including students with disabilities, regardless of whether these disabilities are academic, physical, emotional, psychological or sociological, shall be provided with an equal opportunity, the fundamental right of all individuals to receive an appropriate education at public expense. The educational needs of students with disabilities are met at the high school through a variety of programs and services. For information please contact the Director of Student Services at (708) 599-7200, ext. 318.

The needs of certain students may be so great that special instructional programs and/or services beyond that of the regular classroom program may be utilized. An identified special education student will receive

interventions and supports found in the best interest of the child's development and acted upon as provided under state regulation or law and board policy.

## 11. **UNDERSTANDING SCHOOL RULES**

Students have the responsibility to obey school rules and have the right to expect that clearly defined regulations will be distributed to them at the beginning of the school year along with any additional rules and regulations later enacted by school authorities with proper notification.

# **STUDENTS HAVE RESPONSIBILITIES**

## 1. **ACADEMIC RESPONSIBILITY**

Reavis students are expected to make a serious and continued academic effort by:

- a. arriving to class on time
- b. attending class daily
- c. completing all assigned work on time
- d. bringing necessary materials to class daily (supplies, books, papers, pens, gym clothes, etc.)
- e. performing consistently according to their individual abilities
- f. giving complete and undivided attention to the teacher, and
- g. displaying a spirit of cooperation.

## 2. **ATTENDANCE MATTERS**

Regular attendance is necessary for a student to achieve academic success. The school reserves the right to request verification of reason for absence.

### A. **GENERAL ATTENDANCE**

If you are absent from school the following procedures must be observed:

**Whenever a student is absent or tardy, the parent/guardian must phone the Attendance Office at (708) 430-1121\* before 3:05 p.m. on the day of the absence.** A call must be received, even after 3:05, to avoid truancy status. The following information is needed:

1. Student's name and ID number
2. Reason for absence and estimated length of absence
3. Name of person calling and relationship to student
4. Students arriving after 8:00am (or 9:05 on late start Wednesday) will not be allowed to enter the building with outside beverages. All beverages will be confiscated and discarded.

**\*If needed, prompts will take you to the Polish/Arabic/Spanish attendance lines\***

Students are responsible for reminding their parent/guardian to call the school by 3:05 p.m. to report an absence or tardy. If there is no call on the day of the student absence, an unexcused absence will be recorded and disciplinary action may be taken.

Should the absence continue over several days, the parent/guardian is required to call on each day of student absence. If the absence exceeds three (3) consecutive days, special arrangements should be made with the Deans' Office. Any student absent five (5) or more days is required to bring a doctor's note designating the dates and reason for absence to the Deans' Office upon returning to school. Absences 1-5 will be excused when a parent/guardian contacts the Attendance Office with a valid reason for the absence. Students will follow the make-up work policy as outlined in the syllabi by the teacher of record for each individual class. Please note in section B under **CLASSIFICATION OF ABSENCES**, all external suspensions will count toward a student's five (5) days of absence. All absences beyond five (5) days during a semester will be considered unexcused unless a written doctor's note designating the dates and reasons for the absence is brought to the Deans' Office upon returning to school. A letter will notify parents/guardians when the five (5)-day limit has been reached. Absences beyond five (5) will require a valid doctors note for excused status. An average unexcused absence of one (1) day per month is considered as excessive absence and may have a negative effect on academic success, including loss of credit for the class. A student who is absent 5% (9 days) or more in a 180-day period shall be considered a chronic truant and interventions will be made by the District.

## B. CLASSIFICATION OF ABSENCES

Absences will be classified as being either excused or unexcused. In the case of an excused absence, the student will receive full credit for all work made up. Teachers are expected to supply reasonable assistance and supervision. It is the student's responsibility upon returning to school to obtain the make-up assignments from the teachers. Parents/guardians are encouraged to schedule medical/dental appointments during non-school hours whenever possible. However, if such a visit is necessary, medical verification must be presented upon returning to school.

### Excused absences include:

- a. Illness
- b. Death in the immediate family
- c. Participation in school activities. Students who miss class due to field trips, performances, athletic events, etc., are responsible for making up all work done in class on the day(s) they were absent.
- d. Religious holidays
- e. College visits must be pre-arranged with the student's counselor. Forms will be available in the Attendance office. Completed forms must be returned to the student's Dean/Attendance Office upon completion of visit. A parent/guardian must call the Attendance Office to report the absence.
- f. Court appearances must have verification. Court appearances must be prearranged with a Dean. Students will be excused one (1) hour before and one (1) hour after the court call.
- g. Doctor's appointment (Student must have proper documentation).
- h. Family emergency under or at five (5) days.
- i. Doctor/Dentist appointments must have verification. Student will be excused one (1) hour before and one (1) hour after the appointment. Doctor/Dentist appointments that require more time out of school will be handled on a case by case basis in the Dean's Office.
- j. Oversleeping and/or missing bus, if under their five (5) days for the semester.

### Unexcused absences include:

In the case of an unexcused absence, teachers enter a grade of zero for each class missed. There will be no make-up privileges and no credit for class work, laboratory experiments, tests (including final exams) or homework collected or completed in class on that day. Excessive unexcused absences may lead to removal from class. The following list of reasons for absence from school would normally fit into the "unexcused" classification

- a. Unauthorized absence from class/classes, or school
- b. Truancy; or participation in a "cut day"
- c. Leaving class/school without proper permission
- d. Abusing passes to and from classes
- e. Tardy, over five (5) minutes to class
- f. External suspension that exceeds five (5) days absence per semester. Students will be allowed to earn 100% credit for any work done during the suspension period if under the five (5) day limit. (See section G. External Suspension)
- g. Unauthorized absence from detention
- i. Repeated absences may result in a fine per Burbank Ordinance #7-7-11

## C. RETURN TO SCHOOL PROCEDURE

If an authorized call has been made to the school, no admit is required and the student may return to his/her class. A re-entrance admit is required for a student who has an unexcused or unexplained absence. The student is to report to the Deans' Office before going to his/her class.

## D. EARLY RELEASE FROM SCHOOL

Students are permitted to leave school early only with consent of their parent/guardian along with prior approval of the dean or the school nurse. Failure to comply with this rule will result in disciplinary action. Students who are beyond their five (5) day limit and are sent home ill by the nurse must bring a doctor's note with a specific diagnosis upon returning to school in order to receive an excused absence. A student's failure to do so will result in an unexcused excessive absence.

## E. ABSENCE ON THE DAY OF A SCHOOL ACTIVITY

A student must be present in school for a minimum of four (4) class periods to participate in extracurricular activities or other school sponsored events on that school day or the school day preceding weekend contests. An exception may be granted by the dean, administrator, school nurse, or the student's doctor.

**F. ABSENCE FROM COOPERATIVE EDUCATION PROGRAM**

A student in the Cooperative Education Program must be present for all scheduled school periods in order to be allowed to work on that day. An exception may be granted by the dean, administrator, school nurse, coordinator, or the student's doctor.

**G. FINAL EXAM ABSENCE POLICY**

Absences will only be excused and final exams are allowed to be made up if a doctor's note or special circumstances are approved by the Director of Student Services. The student is responsible to make arrangements with individual teachers and will have one (1) week to complete the final exams.

**H. EXTENDED ILLNESS**

If it is known that a student will be absent for a period longer than two consecutive weeks due to illness, the student is eligible for home tutoring. For information, please contact the student's counselor for a medical certification form. The form is to be filled out by the attending physician and returned to the counselor.

**3. BULLYING POLICY**

Reavis High School conforms to FCC mandate #11-125 and provides for the education of students regarding appropriate online behavior including interacting with other individuals on social networking websites and in chat room, and regarding cyberbullying awareness and response.

**4. CHEATING & PLAGIARISM**

The Reavis High School community holds the authenticity and quality of student work as critical to the educational process. Plagiarism is considered a serious violation of the school's educational goals. Any student who knowingly or willingly copies part or all of the work of another student, or any student who allows part or all of his/her work to be copied by another student, or any student who quotes directly from any source and does not credit the author of that material will be considered to have engaged in cheating and/or plagiarism. Information taken from the internet without crediting the source is also a form of plagiarism.

The following behaviors are examples of cheating:

- a. Homework/lab reports: A student is cheating when he/she attempts to copy or borrow another student's homework.
- b. Quizzes/tests/mid-year and final exams: A student is cheating when he/she attempts to gain any information from another student or from any unauthorized materials.
- c. Written projects/research reports: A student is cheating when he/she uses anyone else's words or ideas without documentation (plagiarism).
- d. Grades: A student is cheating when he/she changes a grade or answer on a paper/test or quiz for himself/herself or any other student during or after the grading process.

A student is considered to be cheating if he/she provides the information or materials for other students to use as identified above. Dissemination of testing materials on a larger scale may also result in more severe consequences. When it has been determined that a student is guilty of cheating on a homework assignment, in class assignment, test or quiz, the student will receive a "zero" for the work. The teacher and/or division chair will notify the parent by telephone/email.

When a teacher provides students with a document for electronic assignments, **that document is to be their sole working document.** If there is question about the integrity of a student's work, and the teacher cannot view and track changes on the document's history, then the student will not receive credit for the work. At that time, the teacher will make parent contact and give the student an opportunity to re-write the assignment; the amount of credit for the work is at the teacher's discretion.

Cheating and plagiarism are serious offenses that may affect standing in National Honor Society, school sponsored events, eligibility for scholarships, and may also jeopardize character references and recommendations from faculty.

**5. CREDIT RECOVERY PROGRAM**

The Credit Recovery Program has been created to assist senior students who are deficient two or less credits, yet otherwise are on time to graduate. Eligible seniors will have the opportunity to successfully complete graduation requirements in the Credit Recovery Program, while continuing attendance in the day school program. Core courses (English, Math, Science and Social Studies) will be offered one day per week from 3:30-6:30pm. The following criteria will be used for the Credit Recovery Program:

- The MTSS team will recommend eligible students for the Credit Recovery Program.
- Students will be assessed a fee of \$175.00 per class each semester.

- Students can earn up to two (2) credits in credit recovery per school year. Only two classes may be taken per semester.

**Student Accounts:** Reavis High School has the right to monitor the student usage of all of its electronic media, which includes, but is not limited to, the internet, e-mail, chat rooms, list services, printed material, etc. Each student is responsible to properly use any and all of the electronic media that is available at Reavis High School. No student shall have any expectation of privacy in their access to the media, their communications or work on all District devices. Reavis High School will notify students and parents in the event a request is made to a student to surrender a "password or other related account information" in order for the school officials to access "the student's account or profile on a social networking site, if the school has reasonable cause to believe that the student's account on a social networking website contains evidence that the student has violated a published disciplinary rule."

**Acceptable Use:** All electronic media at Reavis High School is to be used for educational purposes only. The following is acceptable etiquette/accountability that all students should exhibit. This list is not all encompassing and teachers may use their discretion in determining acceptable use.

## **7. GOOD NIGHT RULE**

All students should be familiar with the "Good Night Rule". Once a student leaves a school activity, he/she will not be re-admitted to the activity.

## **8. GUEST/VISITOR RESPONSIBILITY**

- A. Students are not allowed to bring visitors to school. School premises are for school business only. In accordance with the Illinois School Code, all visitors must enter the building through the main entrance doors where you will need to present a valid form of identification and secure a visitor pass and an escort. Visitors who do not comply with this regulation will be considered trespassers and may be prosecuted.
- B. A student must secure a guest pass for dances from his/her appropriate dean for any dance sponsored by Reavis High School that will be attended by an accompanying non-student.

## **9. HEALTH AND SAFETY REGULATIONS**

A person afflicted with a communicable disease, which poses a significant health risk to others, must report the presence of the disease to the nurse or designee as soon as he/she becomes aware of his/her illness. Due to health and safety concerns, regulations concerning the wearing of safety glasses, bathing caps, removal of jewelry, personal cleanliness, etc., must be observed. Restrictions regarding certain areas or equipment, as well as safety regulations for the proper use of those areas or equipment must be obeyed. Shoes must be worn at all times for health and safety. Students are restricted from wearing outdoor wear (coats/jackets) in classrooms throughout the school day.

## **10. LUNCH DETENTION**

Deans may assign lunch detentions for behaviors that are outlined in the "Actions and Consequences" section of the student handbook. In most cases, the lunch detention will be served the next school day following the infraction. However, in some cases, if there is a high volume of assigned lunch detentions, the student may need to wait until a later date. Students assigned a lunch detention will remain in detention for the entire hour. For example, if a student has 4A lunch and 4B homeroom, that student would remain in lunch detention for the entire 4<sup>th</sup> period. The same principle applies to 5<sup>th</sup> period lunch/homeroom. Lunch detention rules are as follows:

- No talking.
- No sleeping/students must keep head up at all times.
- No restroom breaks during detention. Restrooms should be used before or after detention.
- No use of electronics. Cell phones will be safely locked up in the lunch detention room for the duration of the detention.
- Student may utilize Chromebooks for homework purposes only; no earbuds allowed.
- Students may read or complete paper/book work.
- Students must brown bag their lunch and eat during this time. Students receiving free or reduced lunch will have special arrangements made by the Dean.

Students who arrive tardy to lunch detention, will be sent to the Dean's office and immediately issued a Long Thursday or a Saturday detention.

Violations of these and other school rules as outlined in the student handbook will result in further disciplinary action by the Dean.

## **11. STUDENT CONDUCT**

Reavis High School students are expected to conduct themselves appropriately. Misconduct at school, on school grounds, or at school-sponsored or school-related events, as well as misconduct that occurs outside school grounds (when a student's conduct negatively impacts the school's function) is prohibited and should be reported immediately to the Deans' Office. Discipline will be imposed for misconduct pursuant to this booklet and Board of Education policy.

## **12. STUDENT/STAFF RELATIONS**

Students have a responsibility to respect the authority of the Reavis High School staff. Students are expected to obey all federal, state and local laws and regulations, as well as all school rules and regulations. Students are expected to display appropriate conduct while going to and from school, on school grounds, in school buses, and at all school-sponsored activities. Moreover, students will refrain from those practices that interfere with the health, safety and/or education of themselves or other members of the school community.

## **13. TARDINESS**

Students are expected to be in the classroom when the bell rings at the beginning of a class period. If a student is more than five (5) minutes tardy to any class, the tardiness counts as an unexcused absence and the teacher will give that student zero credit for the period. The teacher will give zero credit to a student with an unexcused tardy admit. Excessive tardies to a particular class may lead to removal from that class.

## **14. TELEPHONES**

Public telephones for student use are available in the Deans office.

## **15. TYPES OF DISCIPLINARY ACTION**

### **A. TEACHER'S DETENTION**

A teacher's detention is a period usually served by a student before or after school. A detention will be spent with the teacher who assigned it. The teacher's detention will normally be held in the assigning teacher's room. The teacher must provide a 24-hour notice of a detention to the student. The failure of a student to serve a teacher's detention becomes an act of insubordination, requiring more severe disciplinary action.

#### **B. DEAN'S DETENTION**

A Dean's detention is a period usually served by a student after school for some defined rule infraction. Students are required to be on time, bring schoolbooks, study and remain silent for the entire period. A dean's detention is held for approximately one (1) hour, Monday through Thursday, beginning at 3:10 p.m.

Students will not be excused from detention because of work, extracurricular commitments, or sport commitments. No one will be admitted late to the detention room. Tardiness will result in an assignment of a Saturday or long Thursday detention. Students must bring their I.D. and school books to detention. They must study and remain silent the entire time.

Students who have been assigned detention for more than ten (10) separate incidents will not be assigned additional detentions. Instead, subsequent incidents, which would normally call for after school detention, will be dealt with through Saturday detention, RISC program, or external suspension at the discretion of the dean. A detention can only be changed once. If a change of detention date is necessary, that change can only be made by seeing the dean prior to 1:00 p.m. No changes will be made after 1:00 p.m.

#### **C. SATURDAY AND LONG THURSDAY DETENTIONS**

A Saturday morning detention session meets from 8:00 a.m. to 11:00 a.m. A long Thursday detention meets from 3:10 p.m. to 5:50 p.m. Both of these are assigned by a Dean of Students. Student must be on time, bring their ID and school books, study and remain silent for the entire time. Failure to attend a Saturday or long Thursday detention will result in additional consequences.

#### **D. TEMPORARY MODIFIED PROGRAM (TMP)**

In the Temporary Modified Program, a student is assigned to a supervised detention room for a specific amount of time (anywhere from part of a period to an entire school day). The student must bring schoolbooks and work for the entire session.

#### **E. MULTI-TIERED SYSTEMS OF SUPPORT (MTSS)**

**MTSS, Multi-leveled Systems of Support** is a multi-tiered approach to the early identification and support of students with learning and behavior needs within a problem-solving framework. The MTSS process begins with high-quality instruction and universal screening of all children in the general education classroom. Struggling learners are provided with interventions at increasing levels of intensity to accelerate their rate of learning. These services may be provided by a variety of personnel, including general education teachers, special educators, and specialists. Progress, are closely monitored to assess both the learning rate and level of performance of individual students. Educational decisions about the intensity and duration of interventions are based on individual student response to instruction. Students not meeting school expectations in the areas of academics, social-emotional, or behavior may be referred to an MTSS Team where members work to develop and monitor strategies and interventions to support students' success and participation in the academic learning environment. An MTSS meeting is held, including, but not limited to, general education teachers, Director of Student Services, guidance counselor, social worker, dean, psychologist, Behavior Coach, and parents/guardians. The MTSS team discuss the concerns and develop further strategies and interventions to implement. Staff responsible for implementing the interventions will document interventions, which will be reviewed at the four to six week MTSS follow-up meeting. The goal is to intervene with any student showing at-risk tendencies to assist them to meeting appropriate academic and behavioral benchmarks.

#### **F. RISC (REAVIS INTERNAL SUSPENSION CENTER)** Reavis Internal Suspension Center is an intervention program for students who pose a problem to others or who interfere with the educational process.

Students, at the discretion of the dean, can be assigned to RISC for disciplinary problems. The program will provide necessary supervision during the school day for a minimum of one (1) day and up to three (3) days at a time. Students will be given the opportunity to do work and obtain credit for their individual classes while assigned to the RISC program. It is the student's responsibility to collect assignments from teachers, bring necessary material to the RISC program and turn in all work complete while in RISC. Any test or quiz missed while in RISC must be made up during RAM period by the student scheduling an appointment with his/her teacher. Students in this program must also complete an assignment for the dean's office that allows them to focus on their various behaviors and responses to situations to teach them to better succeed academically and socially.

All cell phones MUST be turned into the Dean's office prior to entering RISC. Cell phones will be placed in a locked cabinet. Student can collect the phone from the Dean's office at the end of the school day.

#### **G. EXTERNAL SUSPENSION**

External suspension is an exclusion from school for gross disobedience or misconduct for a designated time period not to exceed ten (10) days. A student is not to be on school property while under external suspension. Students will be allowed to earn 100% credit for any work done during the suspension period if under the five (5) day limit. External suspensions will count toward the five (5) day absences.

A student who is externally suspended will not be allowed to attend or participate in any school-related function or activity either at home or away (Social Suspension). When a student is issued an external suspension from school, the parents/guardians of that student shall be sent by mail an official notification of the suspension and the reason for such. The deans shall also make every effort to notify the student's parents/guardians by phone prior to the beginning of the suspension assignment.

When a student is externally suspended from school, it may be required for the student and his/her parent to arrange a formal conference with the Dean who issued the suspension. This conference must be held prior to the student returning to school.

A student who violates an external suspension policy by returning or staying on school property will incur additional day(s) external suspension from school. In addition, a trespassing notice will be filed with the police department.

#### H. SOCIAL SUSPENSION

A student may be placed on social suspension as a disciplinary measure whether or not any other form of discipline is imposed. Social suspension may be imposed for periods of time up to one (1) calendar year. Any student who has been externally suspended is automatically placed on social suspension for the length of the external suspension or a specific length of the school term.

Any student accruing six (6) or more tardies to an individual class period or missing nine (9) days in a given semester, without medical documentation, may be placed on social suspension. Students will be removed from social suspension if they attend five (5) to thirty (30) school days in a row without a tardy or absence as determined by the Dean of record. If a student fails to obtain this goal they may complete the remainder of their social suspension. Students who meet the goal of five (5) to thirty (30) days tardy/absence free will be removed from social suspension, but may have social suspension reinstated if negative attendance behaviors resume. Parents/Guardians will be notified when a student is placed on social suspension for behavioral or attendance issues.

A socially suspended student may not be on a school property nor attend or participate in any school functions while serving the social suspension (i.e. games, activities, dances, elected offices, field trips, etc.)

#### I. EXPULSION

Expulsion occurs when the Board of Education removes a student for gross misconduct or disobedience from attendance at school for a period of time greater than ten (10) school days. An expulsion shall be for a period of time up to two (2) calendar years as determined by the Board of Education in accordance with state law. As required by law, the expulsion term for a student possessing or using a weapon on a school bus, on school grounds or at school-sponsored or school-related events shall be for a minimum of one (1) calendar year. In lieu of expulsion, students may be recommended for alternative education placement.

#### J. TRUANCY: BURBANK ORDINANCE #7-7-11 SECTION 9-84

It shall be unlawful for any person subject to compulsory school attendance within the City of Burbank to abstain from attendance at his/her school without the permission of a legal guardian for valid cause, or by the school in which the minor is enrolled. Consequences for being truant from school will be handled by Reavis High School for the first two offenses. The third offense will result in the enforcement of Burbank Ordinance #7-7-11 section 9-84.

Emergency or unforeseen absences due to illness or other causes beyond the person's control shall not be deemed a violation of this section if a legal guardian submits valid cause for the absence in writing to the local school authorities within 24 hours following the next regular school day subsequent to the absence. Penalties for truancy are:

1. Any person who is over 13 years of age and adjudged to be truant under the truancy ordinance shall be subject to a fine or community service or both. Both the person alleged to be a truant and his/her legal guardian shall be provided notice and an opportunity to be heard. The fine for a violation of the truancy ordinance by a person 13 years or older, shall be \$100.00 per incident. A truant's failure to pay the fine on or before the first hearing date shall cause the fine to be increased to \$150.00 per incident. In no event shall the fine for truants 13 years of age and older exceed \$150.00 per incident. Hours for community service shall be at the discretion of the hearing officer but, in no event, shall they exceed 80 hours. Community service will be administered by the truant's school working in conjunction with the City's School Resource Officer.

#### K. STUDENT I.D. CARDS

**All students must possess a valid Reavis ID card and must be on their person while in attendance at Reavis High School.** Students must present the ID card upon request of any school employee. Each student will be issued a Reavis High School ID card. This identification card will be used during the school day, as well as for admittance to all other after school activities. Failure to possess an ID properly may result in a referral to the Deans' Office. The student ID is also used as a meal debit card. A student without an ID is not prepared for school and will be addressed accordingly by the Deans' Office. There will be \$5.00 charge for any student who loses their ID or does not provide it upon request from a Reavis staff member. New ID's can be obtained in the Dean's Office. ID cards are non-transferable. Failure to provide a current school year ID for lunch upon the third (3<sup>rd</sup>) offense will result in a \$5.00 charge to the student's school fees.

## ACTIONS AND CONSEQUENCES

Misconduct will result in dean's action and failure to timely report misconduct by other students may result in such action. Misconduct that results in dean's action automatically results in parent/guardian notification. The deans and administration reserve the right to determine appropriate disciplinary actions for offenses that are not contained in the following lists. Referral to the RISC program is within the discretion of the deans. Similarly, the deans and administration reserve the right on a case by case basis to deviate from the specified disciplinary actions when such deviations are determined to be necessary for the proper and efficient operation of the school. Students are expected to cooperate with deans and administrators during an investigation. **Any infraction, depending on the surrounding circumstances, may warrant discipline up to and including ex-**
