

Reavis High School
Curriculum Snapshot/Cover Page for Sociology

Unit 1- Culture and Social Structure

35
Days

This Unit covers sociological point of view, cultural diversity, cultural conformity, and social structure. Students will understand that society shapes human behavior and beliefs and vice versa. Students will examine these two interactions to learn about society and social behavior. Chapters 1-4

Unit 2- The Individual in Society

25
Days

This Unit covers socializing the individual, the adolescent in society, and deviance and social control. Students will understand ways in which people experience socialization throughout their lives. We will also discuss ways in which socialization does not go correctly. Chapters 5, 6, and 8

Unit 3- Social Inequality

15
Days

This unit will cover Racial and Ethnic Relations and Gender differences. Students will discuss ways in which different groups are treated differently or unfairly in American society. Chapters 10 and 11
