

Reavis High School Residency Reprove Checklist

Date: _____

Illinois law provides that the residence of a student is deemed to be the same as the residence of the person who has LEGAL CUSTODY of the student and permits only students who are residents of the School District to enroll. The person claiming custody must also reside in the District. To assist the District in determining residency and legal custody, this form must be completed. The District may investigate the residency of any student before or after enrollment and require the involved persons to provide additional information to be considered by the District in determining residency. Enrollment is not completed and attendance will not be permitted, until all residency issues are resolved.
