- Consider the resolution declaring COVID safety protocols

Motion: S. Ficker  
Second: R. Moreno

Dr. Riordan explained that a copy of the resolution has been given to each Board member. In conjunction with Stickney Township and the Board with the appellate court ruling that as of tomorrow, masks will be optional though highly recommended. This resolution also states staff members that are not vaccinated will no longer have to submit weekly test results.

Quarantines for close contacts will no longer be required. Obviously, if things change and the positivity rate increases there may need to be adjustments.

Dr. Riordan concluded by complimenting the students who have been very respectful and patient with the mask wearing. He expects that our students will not ridicule another student for choosing to continue to wear a mask.
