Currently, schools will be closed until through April 7, 2020. The target date to return to school is Wednesday, April 8th, but that remains fluid. Dr. Riordan added that he anticipates to hear within the next few days. There still remains several questions regarding e-Learning, grading, and school work counting or not counting. Our Administrative Team has been and will continue to have constant communication with our students and teachers to make sure information is clear. Dr. Riordan concluded by stating that no matter what the future holds, Reavis High School will continue to look out for the safety, security and health of all students, parents, staff members, and our community as a whole.
