2. PRESENTATION OF TAX LEVY INFORMATION

Mr. Novak, Chief School Business Official, reminded the Board that a Public Hearing is required by law as well as running a notice in the local newspaper if the percentage of which you ask at the estimate is above 5%. As presented at the board meeting in November, the percentage being asked for is 11.94%. The way that was derived, according to the Property Tax Extension Limitation law (PTEL), you can do an extension that is tied to the CPI or 5%, whichever is lower. This year CPI was 6.5% so the levy being asked for was 5% to existing homeowners. In addition, new property must be accounted for. This year that includes the expiring Bedford Park 65th Street hotel TIF. In total the 11.94% comes from the 5% and \$85 million in additional new property that is being estimated which includes the expired TIF. The requirements for Truth in Taxation have been met. The levy being asked to be approved tonight is the same as presented in November.

3. PUBLIC HEARING

Dr. Riordan stated that there have been no phone calls, emails or anyone signed in to speak this evening regarding the levy. Mr. Novak confirmed the same.
