Summer School Brochure

<p>Semester 1: Monday–Thursday June 6- June 23</p> <p>Semester 2: Monday -Thursday June 27–July 21</p> <p>NO SCHOOL July 1–July 8</p>
--

Registration begins on April 13th!

2022 SUMMER SCHOOL DATES

SEMESTER 1: MONDAY, JUNE 6 - THURSDAY, JUNE 23, 2022
SEMESTER 2: MONDAY, JUNE 27 - THURSDAY, JULY 21, 2022
DRIVERS ED: WEDNESDAY, JUNE 1 - THURSDAY, JUNE 23, 2022
NO SCHOOL JULY 1st–8th

REGISTRATION DATES

Semester 1 Classes - April 13 - June 3, 2022
 Semester 2 Classes - April 13 - June 27, 2022
 Driver Education - April 13 - April 20, 2022
Reavis High School students will be given preference in registering for classes with limited enrollment.

REGISTRATION GUIDELINES

Registration will be accepted by mail until May 20th for Semester 1, and June 10th for Semester 2. Registrations after those dates should be brought directly to the Reavis Guidance Office, Monday through Thursday, between the hours of 7:30am - 3:00pm.

It is important to ENROLL EARLY as courses will be closed when registration reaches maximum size. In the event enrollment is insufficient, or staff unavailable, tuition fees will be refunded. Determination as to whether a class will run shall be based upon the number of PAID enrollments in the class. Students who enroll in Summer School for a course "they assume they are failing" during the regular school year will receive a full refund if their final grade during the regular school year is passing.

Upon registering for summer school, payments will be accepted online via the school's new online payment portal –

<https://payments.efundsfor schools.com/v3/districts/56331/>

All registration documents and payment must be received in order maintain your seat in desired class. Check or cash will be accepted in the Guidance Office.

 *A \$30.00 Fee will be charged for checks returned for insufficient funds.

LATE REGISTRATION FEE

A \$10.00 LATE FEE will be assessed to anyone registering after:

June 3rd for a SEMESTER 1 course

June 27th for a SEMESTER 2 course

NO REGISTRATIONS WILL BE ACCEPTED AFTER THE FIRST DAY OF CLASSES EACH SEMESTER

REFUNDS

A non-refundable \$20.00 Registration Fee is included in the tuition for each class. No refunds are given after the second day of a semester.

DAILY SCHEDULE	
Period 1	8:00 am - 10:15 am
Break	10:15 am - 10:30 am
Period 2	10:30 am - 1:00 pm

ROOM ASSIGNMENTS

Room numbers for Summer School classes will be posted near the Student Commons on the first day of each semester.

SUMMER SCHOOL REGULATIONS

All regular school regulations concerning student behavior as outlined in: *Rights and Responsibilities: A Code of Behavior for Reavis Students* are in effect. **However, because of the intensified nature of summer school, consequences of misbehavior are likewise intensified.** Therefore, students who do not comply with school regulations can be **DROPPED IMMEDIATELY**, without refund of fees.

CLOSED CAMPUS

Reavis Summer School is a CLOSED CAMPUS. After students enter the building in the morning, they may not leave until dismissal time without the Summer School Director's permission. **NO ONE IS TO LEAVE THE BUILDING DURING BREAK TIME.** Violators of the Closed Campus policy will be dropped immediately from Summer School without refund or credit.

SMOKING

There is **NO SMOKING** or **VAPING** allowed on Reavis property. Students who smoke or vape on the Reavis Campus will be dropped immediately from Summer School without refund or credit.

SUMMER SCHOOL OFFICE

TO REPORT A STUDENT ABSENCE 708-430-1121 *and leave a message*

SUMMER SCHOOL DIRECTOR 708-599-7200 ext. 450

SUMMER ATHLETIC CAMPS

Information about Reavis High School's Summer Athletic Camps can be found in the Summer Camps Brochure available in the Athletic and/or Main Office at Reavis High School.

DEPARTMENT OF PHYSICAL EDUCATION, HEALTH & DRIVER EDUCATION

CO-EDUCATIONAL PHYSICAL EDUCATION

1/2 Credit

Our program is a general physical education program and includes physical fitness, jogging, flexibility, calisthenics, individual and team sports (i.e., volleyball, basketball, softball, soccer, track), health habits, and water activities. **Class is offered only to students who have failed. Students will not be allowed to take two P.E. classes in the same semester during the regular school year.**

PLEASE LEAVE ALL VALUABLES AT HOME!

DRIVER EDUCATION

1/2 Credit

The deadline for registering for Driver Education is April 20, 2022

This course consists of all those learning experiences provided by the school for the purpose of teaching students to use motor vehicles safely and efficiently. It is a three-phase program: classroom, range, and in-car instruction. Students must have a Social Security number. Driver Ed candidates must attend two after-school meetings on April 20 at RAM and April 29 at 11:00 a.m. in Room 229, Reavis High School. In addition to the regular Summer School tuition, a \$20.00 check or money order made payable to "**Secretary of State**" must be turned in at the April 29th meeting for the Learner's Permit. Only legal residents of District 220 may take Driver Education at Reavis. Driver Education begins on Wednesday, June 1, 2022 and ends on June 23, 2022. In order to register for Driver Ed, a student must have passed eight courses in the previous two semesters of enrollment. There are no busses provided for students taking Drivers Education because students will start and end class at varying times.

ATTENDANCE

It is imperative that a summer school student have a good attendance record. A vast amount of material needs to be covered each day. Intensified learning requires intensified attendance. The MAXIMUM number of allowable absences (illness, family death, court) is ONE DAY PER SEMESTER. Truancy can result in immediate drop without credit or refund. Punctuality, too, is important. A tardy of more than ten (10) minutes to Periods 1 or 2 count as a 1/2 day absence. Two (2) tardies of ten (10) minutes or less each count for 1/2 day of absence.

A student is required to make up all missed work at the teacher's discretion. Students with unexcused absences will be given a zero grade for all the activities for that day.

In the event a student must be absent, the parent/guardian is expected to notify the summer school office at 708-430-1121. Student absences can be reported 24 hours a day. If an absence is not reported by 2 p.m. on the day of the absence, it will be classified as UNEXCUSED. STUDENTS TRUANT OR HAVING EXCESSIVE ABSENCES OR TARDINESS WILL BE DROPPED FROM SUMMER SCHOOL AND FORFEIT BOTH TUITION AND CREDIT.

On the last day of each Semester, attendance is mandatory as final examinations are scheduled.

TRANSPORTATION

During summer school, students desiring school bus transportation will be assessed a non-refundable \$15.00 fee per three-week semester. Students who lose their bus pass will be charged the full \$15 replacement fee. A bus pass can be purchased during the registration process. Bus passes will be given out on the first day of each semester of summer school. Only students living within the attendance area of District 220 are eligible for transportation provided by District 220. There are no busses provided for students taking Drivers Ed. The 3 Summer Bus Routes are:

1. The SAHS BUS will leave Charles J. Sahs School at 7:15 a.m., and proceed down Harlem Avenue, south, enter 71st Street going east to Nottingham Avenue, proceed south to 75th Street, back out to Harlem Avenue, to 79th Street, and east to Reavis H.S.
2. The WEST BUS will leave Reavis H.S. at 7:25 a.m., go west down 78th Street to Newland Avenue, turn south to 79th Street, go west to Nottingham Avenue, turn south to 83rd Street, go east to Austin Avenue, and back to Reavis H.S.
3. The EAST BUS will leave Reavis H.S. at 7:25 a.m., go east down 78th Street to State Road, down to 77th and Lockwood, to 78th Street to Lamont, to 83rd Street, to Austin, and back to Reavis H.S.

On the first days, bus drivers will watch for students at various corners on the routes. Afterwards, they will stop only on the corners where the largest number of students board. At times, this may mean that students may have to walk three or four blocks to reach a bus. However, this is the most expedient method for the number of students involved in Summer School.

NON-DISCRIMINATION POLICIES TITLE IX POLICY AND SECTION 504

Title IX of the Education Amendment of 1972 prohibits Reavis High School from sex discrimination in any educational program or activity it operates. Reavis High School does not discriminate on the basis of sex in admissions, in employment, or in the operations of any educational program or activity. HEW Regulation Section 504, prohibits discrimination on the basis of handicap in any educational program or activity operated by Reavis High School. Additionally, vocational education opportunities will be offered without regard to race, color, national origin, sex or handicap. Inquiries concerning the school's obligation under these regulations should be directed to the School's Title IX and 504 Compliance Officer:

Dr. Daniel J. Riordan—Superintendent
Reavis High School—6034 West 77th Street—Burbank, IL 60459
Phone: 708-599-7200 ext. 504

TITLE I SUMMER PROGRAM

This summer, all students in the Class of 2026 are eligible for the Title I Bridge Program. Students will receive an invitation by mail. The program is sponsored by the federal government to help incoming freshmen students transition to and succeed in high school. Because the cost of the program is funded through government grants, there is no tuition fee for families.

The Title I Bridge Program is designed to orient students to the high school experience. Students will meet a variety of faculty, staff, and extracurricular sponsors/coaches during the program. Activities range from school tours to guest speakers, goal-setting, and preparing for the social-emotional demands of high school. Participants will learn the basics of using Google Classroom and Schoology; they will also receive a copy of their class schedule and craft emails to their teachers introducing themselves and explaining what they want to accomplish during their first semester in high school.

The 2022 Title I Bridge Program Highlights

Dates: Monday, August 1 through Thursday, August 4

Time: 9:00 a.m. to 12:00 p.m.

Topics included:

- Getting to know campus
- Using Chromebooks, Google Classroom, gmail, and Schoology
- Library/Media Center orientation
- Goal setting
- Getting involved: Athletic and Activity opportunities
- Stress management
- Time management

For more information about the Title I Bridge Program, email Erika Banick, our Director of Curriculum, at ebanick@d220.org

DEPARTMENT OF SOCIAL STUDIES

U.S. HISTORY

1/2 or 1 Credit

Students learn about past and present American problems as solved through the passage of time. This course provides an understanding of the people and events which have made American history. Goals include the understanding and appreciation of current national issues and a knowledge of diplomatic and political American heritage.

U.S. GOVERNMENT Blended Learning

1/2 Credit

This required course focuses on the American system of government, including origins, development, organization, powers and actual workings of American government. The course stresses federal, state and local forms of government. Both the U.S. and Illinois Constitution Tests will be administered in this course. Students taking U.S. Government in Summer School will be responsible for fulfilling the Community Service requirement. There will be an informational meeting prior to Summer School explaining the Community Service options. This course will combine independent student work with online delivery of curriculum as well as a limited number of mandatory classroom hours with the teacher. A mandatory parent and student meeting will take place on May 13 at 7:00 p.m. in the Reavis Library. Students must be registered for the class to attend the meeting. The student is responsible for Wi-Fi access in order to participate in the class. **(Course offered 1st Semester only)**

ECONOMICS Blended Learning

1/2 Credit

This course combines the study of economic theory with practical application of economics to personal finances. National, state, and local economics will be studied. In addition, this course emphasizes family budgeting, insurance, installment buying, credit, mortgages, personal banking and taxes. This course will be taught in a traditional classroom setting meeting daily for the regular summer session schedule. This course will combine independent student work with online delivery of curriculum as well as a limited number of mandatory classroom hours with the teacher. A mandatory parent and student meeting will take place on May 13 at 7:00 p.m. in the Reavis Library. Students must be registered for the class to attend the meeting. The student is responsible for Wi-Fi access in order to participate in the class. **(Course offered 2nd Semester only)**

DEPARTMENT OF MATHEMATICS

ALGEBRA I 1/2 or 1 Credit

This course is intended for those students who might experience difficulty in the Algebra I course. Students will use the Real Number System in working with equations, expressions, inequalities, graphs, functions, and proportions, and their applications to the real world.

GEOMETRY I 1/2 or 1 Credit

Students are taught the use of precise definitions, inductive and deductive reasoning and use of two column proofs. These concepts are developed through the study of points, lines, planes and polygons.

(Prerequisite: Algebra I)

ALGEBRA II 1/2 or 1 Credit

The course includes review and refinement of basic algebraic principles: numerical skills, expressions, and equations. The introduction of functions, graphs, exponents, factoring, and quadratic equations further develop problem solving skills.

(Prerequisite: Algebra I and Geometry I)

DEPARTMENT OF NATURAL SCIENCES

BIOLOGY I 1/2 or 1 Credit

Biology is concerned with the study of the living world. The structure and operation of cells, comparisons of different animals, the importance of green plants and the complexity of man are the major topics that are considered.

PHYSICAL SCIENCE 1/2 or 1 Credit

This course is designed to introduce students to the basic concepts of chemistry and physics. Topics such as the following will be explored in the first semester: scientific method, energy alternatives, atomic theory, periodic table, chemical and physical changes, formulas and analysis of experimental data. In the second semester, topics include: the study of force and motion, laws of motion, work and simple machines, thermal energy and heat and its uses.

REAVIS HIGH SCHOOL
2022 SUMMER SCHOOL COURSES
DEPARTMENT OF ENGLISH

ENGLISH I

1/2 or 1 Credit

English I is a remedial course for students who failed to receive credit for one or both semesters of English I. The course reviews basic communication skills of reading, writing, speaking and listening. In this intensified summer program, early assessment of skills quickly results in individualized learning projects which supplement group instruction. Students are expected to achieve at levels compatible with Reavis High School standards of the regular academic school year.

ENGLISH II/ORAL COMM

1/2 or 1 Credit

English II/Oral Comm is a remedial course for students who failed to receive credit for the English component of English II/Oral Comm. In the course speech is taught as the driving force, with reading and writing as complementary communication comments. Each instructional unit will focus on a formal oral presentation, accompanied by reading and writing assignments.

(Prerequisite: Credit in English I)

ENGLISH III

1/2 or 1 Credit

English III is a remedial course for students who failed to receive credit for Junior English. America's literary heritage is highlighted through selected readings from colonial to modern times. A representative variety of literary types will be studied rather than a comprehensive survey. A core skills program complements the literary component. **(Prerequisite: Credit in English II)**

ENGLISH IV

1/2 or 1 Credit

English IV is a remedial course for students who failed to receive credit for their Senior English requirement. Students study novels, short stories, plays, essays and poems of representative English and world authors. Higher level thinking skills are encouraged, and a core skills program complements the literature component. Students must be capable of independent study and willing to assume an intensified study schedule.

(Prerequisite: Credit in English III)
